

Registration & Enrollment

- The non-refundable annual registration fee for each **new student** is \$30. Space will be held in class upon (1) Payment of the registration fee, (2) payment of the first session tuition, and (3) the receipt of the registration form.
- The registration fee for **returning students** is \$15.

Tuition and fees

- Children’s class tuition is payable **by semester**, and is due in the first class of each semester. After a grace period of 10 days, a \$15 late fee will apply.
- Adult class tuition **is bi-monthly**, and is due in the first class of the starting month. Adult students can choose to pay drop-in “hourly” tuition if they can not attend every class in a month.
- Drop-in class tuition is \$22/hour (the same for Children and adults)
- No partial tuition. Missed class has no money value. Makeup class is based on teacher permission. Makeup credit is not transferable.
- Other known fees include costume, performance and photo session. Every year our school puts on an annual showcase and all students are given the opportunity to showcase what they have learned to parents and friends in a professional setting. Costumes are specially ordered for and paid by the participating students. Each participating student also contributes a performance fee and photo fee to help defray the cost of the showcase.
- To encourage regular attendance and makeup to keep teaching schedule according to plan, a yearly \$30 deposit is required at the beginning of the year. Every missed class without makeup will result in \$10 deduction in the deposit.

Arrival/pickup time

- For proper warm up and safety reasons, any student arriving later than 15 minutes into the class shall wait at the side of the classroom until receiving instructor’s permission to enter.
- Students under age of 7 must be accompanied by an adult and should be taken to the bathroom prior to class.
- Parents/guardians must pick up students promptly at the end of class.

Class behavior

- Respecting your teacher and your fellow classmates is the number one lesson in the dance class. Silence and attention is required at all times during class.
- All students should listen when the teacher corrects another student, as these suggestions may also apply to them.
- No food, drinks (except bottled water) or chewing gum in the class room at all times.

Absence/missed classes

- Absences prevent the student from learning the material necessary to keep pace with the class.
- No refund or credit will be given to unexcused absence.
- Students are required to notify the school prior to absence so impact might be accessed.
- Make-up class must be completed within the same month of the missed class for adults and the same paid session for children.
- If a class is canceled due to an emergency, the class will be made up at a different time/date, or the student may attend another class as a make-up.
- Performance is a great training class. We encourage and find performance opportunities for our students. If a performance event happens to be at a time of the respective students’ class time, it counts as a regular class.
